Local Plan

PDNPA will forward the no draft copy of the questionnaire as part of the general consultation for completion by the Town Council

(b) Project work; to receive reports and approve action taken and next steps

(i). Clerk's Office exchange

A major amount of progress has been made since the last meeting. Documents are being reviewed in accordance with national guidance (Legal Topic Note 40), supported by the Society of Local Council Clerks document retention guidance, and Local Government Association advice. Three quarters of the papers have been assessed so far.

It is recommended that financial documents and HR documents falling outside the retention requirements are disposed of by secure shredding (using a paid-for bagged shredding service purely due to the volume being outside the capacity of the office shredder).

Non sensitive "general" documents (circulars, flyers, and documents with other owners) that are not to be retained will be disposed of as general waste.

Some documents (Medical Officer of Health Reports from the 1950s and 1960s for example) are obvious candidates for transfer to the County Records Office at Matlock. Other documents may be candidates for the PDNPA archive. These will be listed and authorisation sought from Council.

There are a significant number of files requiring deeper consideration (for example correspondence relating to the Bakewell Project) as they provide supporting background to the minuted decisions of the Town Council. The volume of documents means that it is likely that they will require "weeding" prior to archiving. It is suggested that a sample of these files are taken to the County Records Office in order to seek advice on retention following examination. A previous exercise in the 1990s deposited a significant number of items with the Records Office, so most currently held are comparatively recent. That said, the oldest documents (other than title deeds) so far discovered date from the 1920s.

(ii). King's Coronation celebrations in Bakewell

As is to be expected a wide array of souvenir items is available. We have previously used "Gifts2Impress" their offer can be seen at

<https://www.kingcharlescoronationgifts.com/>

"Standard" commemorative coins in a Perspex case similar to those the Town Council has given to infants/junior school children on previous royal occasions cost £3.28 each (based on a quantity of 120).

(iii). Lifebelts

Minuted position (5324/23 - February)

A meeting is to be arranged shortly with DDDC to discuss locations for the watercourse safety equipment.

Update

The meeting has been arranged for Wednesday 1st March 2023; a verbal report will be given at the meeting.

(iv). Parsonage Field**Minuted position (5324/23 - February)**

A request for further information has been received from the Land Registry. The Clerk has replied.

There is no further update at present

(v). Public Celebration of Christmas**Minuted position (5324/23 - February)**

Action approved:

- Audit of brackets
- Purchase of 125 sets of lights at a cost of up to £3900
- License for use of Bath Gardens

Update

Action currently in hand

(vi). Public Sector Decarbonisation Fund**Minuted position (5309/23 - January)**

East Peak CiC has been engaged for the preparation of the bid. BT&CT was advised and an introductory meeting was held between the Centre Manager and East Peak CiC on Wednesday 7th December 2022.

Update

This has been followed up with East Peak CiC and a progress report is anticipated shortly.

(vii). Riverbank Project**Minuted position (5324/23 - February)**

The project manager has been advised of the Raft Race and the Clerk has suggested contacting the Carnival Committee when the start date of the physical works is known so that they may update their risk assessments accordingly.

Update

A request to extend the end date for the project to 31st December 2023 is being made by the Project Manager to the HLF Investment Manager. This is to allow the incorporation of the hedge laying element for volunteers/learners, delayed because of the works to the hedges by DDDC in later summer/autumn 2022.

The Project Manager is also reactivating the activity plan and setting up more community events for the spring and summer period. Publicity prior to the main works starting is also planned.

A further meeting in respect of the Long Term Management Plan for Scot's Garden is to be held in the next few weeks.

(viii). Scot's Garden

Minuted position (5324/23 - February)

Currently up to date.

Update

Per the current management plan Chatsworth Estate will be asked to chain harrow the field in March/early April.

(ix). Sheepwash

Minuted position (5324/23 - February)

Clerk to obtain a quotation for replacement interpretation signage at Sheepwash. The Clerk reported that action is in hand

No further update at present

(x). Speed Indicator Devices

No further update to minute 5309/23, January 2023, at present.

(xi). The Bakewell Partnership

In abeyance.

(xii). Town centre repaving

Minuted position (5324/23 - February)

CCLlr Alasdair Sutton advises that following his representations DCC Place advise "Re: Gulley at Bridge Street Bakewell. FS469818470: A job has been planned/prepared to install a new gully to improve the drainage in front of the old betting shop, however at this time our budget is fully committed therefore we will not be able to commit the work until funds are made available in the next financial year. This job will be prioritised to be started as soon as possible."

No further update at present

(xiii). Town centre trees

Minuted position (5324/23 - February)

A further meeting is to take place to discuss location of Pig Market tree on Friday 10th February 2023

Update

The meeting took place, the size, shape and position of planters was discussed as was details for planting at Bath Gardens.

(xiv). Tree and Woodland Management

Minuted position (5324/23 - February)

Chatsworth Estate has been approached for a quotation in respect of woodland management grants, and a reply is awaited.

Update

Further information has been requested and this in process of being supplied.

Invoices have been received from Chatsworth Estate in respect of the work two ash trees and one elm tree at the side of the A6/Endcliffe Wood.

(xv). Valuation of Town Hall

Minuted position (5324/23 - February)

To authorise BTP to commission a valuation of Town Hall by Jonathan V Davies Chartered Surveyors at a cost of £750 plus VAT

Jonathan V Davies and Nicola Pearce inspected the premises on Monday 20th February. Their report has now been received and recommends an insurance value of £5,000,000.

It is recommended that this figure is incorporated in the inventory figure and approved as a basis for insurance (see Matters for Decision – quotations will need to be updated). A diary item should be created for a further quinquennial review in 2027/28

A quotation is being progressed for the brattishing work.

Agenda Item 12

Matters for decision

(a) Insurance policy – to approve the way ahead

The policy is due for renewal on 1st April 2023. The current policy cost £6712, but does not include flood insurance protection. Quotations, based on the 2022-23 policy, have been requested from three local government insurance brokers, details as follows.

James Hallam Ltd,(formerly WPS), current insurer:

A pre-renewal review was completed and forwarded (on 15th February 2023) to James Hallam Ltd, the questions raised by the Clerk were answered promptly. As of the agenda closing date a priced quotation is awaited; this has been hastened.

Arthur J Gallagher Insurance

A meeting was held between the Clerk and David Palmer, Client Director – Community (Public Sector & Education), Arthur J Gallagher Insurance on 7th December 2022 to discuss requirements, issues, and options.

This was followed up by a further meeting on Wednesday 15th February 2023 at which details of the "AJG Community Scheme" insured by Hiscox Insurance Company Ltd. were given along with a priced quotation. The basic quotation is lower than the current premium (the sum will be given at the meeting). In addition there is the potential for flood insurance via FloodFlash, a sensor based system which the quotation states is a "parametric insurance policy" and describes it as follows: "if a flood occurs at the depth or depths that you select, subject to compliance with terms and conditions you will be paid the specific amount of cover that you select per depth regardless of the loss or damage suffered".

The example costs below include Insurance Premium Tax, but not the additional initial cost of £100 for the physical sensor.

- Flood depth 0.2m, pay out £10k: £604.06
- Flood depth 0.3m, pay out £5k: £214.44
- Flood depth 0.3m, pay out £10k: £428.88
- Flood depth 0.5m, pay out £25k: £313.14

Multiple triggers can be chosen

- Flood depth 0.2m pay out £10k plus flood depth 0.4m pay out £10k £860.75

BHIB

In addition to the current Aviva policy documents a completed Quotation Request form was sent to this broker. Subsequently the Clerk received a telephone call and the following confirmation by email:

“As discussed unfortunately as you currently with Aviva we wouldn’t be able to provide a quotation as our main scheme provider is also Aviva. However if you really wanted to come with us, you could appoint us as your broker, we can then take over the renewal and work directly with the insurer. In order to do this just complete the attached (details in yellow) send this over to your current broker and back to us, we can then send it over to the insurer direct.”

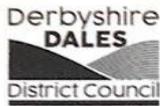

On 24th February 2023 this email was received:

“Thank you for speaking to me a couple of days ago,

Having looked over the details provided we have established you are not with Aviva at the moment so we will be able to quote, we have started work on this for you. If we have any further questions we will email you.”

Members may wish to see the James Hallam quotation plus that from BHIB prior to deciding on a future policy. In this case documentation could be issued via an Urgent Business Request.

(c) Hedgehog Highway Project – to approve participation

We have received the following flyer from Linda Cook, Hedgehogs R Us. Details of the project are available at <https://hedgehogsrus.co.uk/hedgehog-highway-project> and there is a short video here: https://fb.watch/iA_tncaAUX/

Linda Cook

HedgehogsRus@mail.com

Firstly, thank you for taking the time to read this letter!
I am writing to all Councils, Parishes, Towns and Wards in the UK to ask them to take part in this amazing project!

Hedgehogs R Us Highway Project

With Hedgehog numbers in decline and Hedgehog awareness on the rise, there has never been a better time to get involved in Hedgehog conservation.

A Hedgehog Highway is a 5 inch gap in a fence and is essential in the battle to prevent the extinction of our endangered spiky friends. This gap allows them access to forage for food and meet mates. A Highway surround raises awareness to their plight and encourages others to take part.

I am asking for each area of the UK to use a small portion of their assigned funds to purchase a box of hedgehog highway surrounds and make them available for their residents.

Each box of 50 is £150 and includes:

- * 50 Hedgehog Highway surrounds & 50 information leaflets
- * A display box & window sticker showing you are part of the project.

Ideas of how to benefit your community include:

- * Donate the Highways and leaflets to your local school to educate in wildlife conservation
- * Swap the Highways for a donation of Hedgehog food which can then be given to your local Hedgehog Rescue Centre

The project will be receiving a lot of publicity in the coming months via Social Media and I really hope that you choose to take part.

My dream is to make the whole of the UK one giant Hedgehog Highway and for that dream to come true, it needs EVERYONE to take part.

Money is donated to Hedgehog Conservation for every box sold too!

If you would like to order or have any questions please do not hesitate to get in touch and thank you for caring.

Linda Cook, Founder of Hedgehogs R Us

(d) Certificate of Merit – to approve award(s)

Details will be issued as a separate document. In making the award(s), for the avoidance of doubt, confirmation of the citation for the certificate is requested.
